

Millstreet Veterinary Group, Millstreet Town, Co. Cork have a position available for a progressive Veterinary Practitioner in our 6 vet mixed practice. Our practice is 75% cattle (mainly dairy) with a growing companion animal division, working in a purpose built accredited Companion Animal Hospital and Large Animal Clinic.

We have all the usual toys and an in-house lab.

We offer a relaxed, flexible rota, which allows a good work/life balance, in an open supportive working environment with friendly colleagues including certificate holders. Our excellent nurses and support staff are efficient, helpful and caring.

Recent graduates will be welcomed, supported and mentored.

Funded CVE, VDS, VCI and Veterinary Ireland annual subscriptions included in package.
Salary commensurate with experience.
