

**\*100% Farm Animal Vet required\***

Farm Vet Services is looking for a full time experienced or recent graduate 100% farm animal vet.

We have bases in Templepatrick Co. Antrim and Clogher Co. Tyrone. FVS is a motivated, proactive and forward-thinking team, equipped with the latest Easi Scan-Go Bluetooth scanners.

We have a strong focus on fertility work and a successful candidate would be able to start into routine scans.

We also have embryo transfer and flushing work on going which a candidate could become involved with. Rota is 1 in 3, with a second vet back up as needed.

Accommodation, company vehicle & phone provided as part of package if required. Salary up to £70,000 DOE.

CV to [directors@farmvetservices.co.uk](mailto:directors@farmvetservices.co.uk) or call 07751295560 or 07851195289 for a confidential, informal chat.
