

EXPERIENCED EQUINE VETERINARIAN - FULL TIME POSITION NEW ZEALAND

ARE YOU LOOKING FOR A CHANGE? AND WANT TO EXPERIENCE LIFE IN NEW ZEALAND?

Prebbleton Veterinary Hospital has an opportunity for a full time, experienced Equine Veterinarian to join our team. Experience - minimum of 3 years preferred. Our ideal candidate would have experience/interest in lameness/performance medicine and dentistry.

You would be joining our equine team which consists of 3 experienced equine vets. We have a very low staff turnover, with a good team culture. You would be working predominately independently, with the support of experienced colleagues for those cases that require a collaborative approach. Our contract surgeon, visits monthly or bimonthly to undertake orthopaedic/medical surgical procedures, the successful candidate would be involved with these cases.

OOH rota is 1 one in three.

Our equine clientele consists of racing stables, sport horses along with pleasure horses located in the Selwyn District.

Prebbleton Veterinary Hospital is located in a vibrant and growing region south of Christchurch, within easy distances of the heart of Christchurch, rural Canterbury, ski fields and the beach.

We offer a cheerful working environment within our Equine & Companion Animal practice, which consists of 7 Vets and our committed nursing staff.

The clinic has modern diagnostic capabilities, offering digital x-ray, ultrasound, in house blood analyser, isoflurane anaesthesia, dedicated operating theatres.
