

Your complete animal
imaging solution

Account Manager Required

IMV Imaging are the world leaders in providing veterinary imaging equipment including Ultrasound, X-ray, endoscopy, CT & MRI.

We are recruiting for an Account Manager to join our team who will be covering the West side of Ireland.

The key role is to manage all aspects of the customer's needs, their business account and their relationship with IMV Imaging.

For more information or to send applications, please **email recruitment@imv-imaging.com** or call Bryan **086 7915837** for any queries.
